Message:

I would like to see the Senate 18 District stay the same with no changes. Reason for my request is simple and a little selfless. I was the Mayor of Fulton, Texas and we are in the southern tip of Senate District 18. Aug 2017 The Town of Fulton was destroyed from Hurricane Harvey.

I'm asking for us to stay District 18 due to the continued recovery and process for which years of rebuilding are still happening. The plans for our future recovery and the work to be done are still in process not set in concrete. Our district needs to stay with Senator Kolkhorst, she has been part of our recovery and we need that voice, plus experience that has stood beside our communities on the coast. She has been working with us, overseeing the reconstruction and destruction TWIA did after Harvey to 14 counties under her watch. A change would set us back years with TEDM, FEMA, and other agencies. I ask that you review my request as a citizen and as a former Mayor. Remember redistricting is not just lines draw but lines of communication for Texans helping Texans.

God Bless Texas and Our Legislators

Jimmy Kendrick  
Former Mayor and Hurricane Harvey survivor.
