Dear Senator Flores,I am more perplexed than I can possibly express. Specifically,I am contacting you to, literally, beg you to redistrict where I live.My State Rep.District (118) is literally the entire southside and then gerrymandered up to include Randolph AFB and Universal City,in essence diluting the conservative military vote. Leo Pacheco has brought millions of\$\$\$ to the southside, while ignoring our concerns and best interest, which are totally different from the rest of the district. Even more egregious is the fact that we are located in Congressman Henry Cuellar's district (28).I have contacted him to tell him how we. in Universal City wanted him to investigate the unconstitutional way several states conducted this past election,not vote for Nancy

Pelosi as speaker, protect the right to free speech without being disenfranchised through loss of jobs or banishment from social media. Instead,he has consistently worked against mine and my fellow District 28 resident's interest by ushering in a police state. I'm a veteran (USAF active duty 1984-1990),my husband retired from USAF in 2004. We both served during the Cold War and saw Socialism defeated. And now they are suddenly in charge? Neither Congressman Cuellar nor State Senator Pacheco ever visits where I live, they never vote in our interest and they do the exact opposite by ignoring me and my fellow Universal City residents, and passing laws that harm our interests. Basically: we have no representation and therefore no voice. PLEASE remedy this before I lose all my constitutional rights and, therby, all hope!
