Message:

In regards to redistricting, I would like to request that DeWitt County be placed in a district with our neighboring counties, such as Lavaca, Victoria, etc.). Currently DeWitt is included in the district that runs all the way to Brownsville, Texas, which is a very long way! I feel DeWitt is not represented in this district. I know my Representative is Mr. Filemon Vela, but I have never had any correspondence or connection to him. I feel this current district area is not fairly drawn to give me and the citizens of DeWitt County the availability to our representative. I urge the Senate to re-evaluate these district lines and place DeWitt in a district that will more fairly represent our ideals and values as we deserve. Thank you.
