Message:

I have been a resident of the Austin area for over 35 years and live in the Wells Branch area.

Also appearing as a dangling nut on the gerrymandered area in which i have resided for over 25 years. The area runs from a scoop of Austin north to Waco. As you can imagine the interests of residents is very different.

Every time I call or visit John Cornyn office I get a form letter that does not even address my concerns. I am not satisfied that he represents anyone but himself.

Gerrymandering increses policital division, and serves no citizen, except the one collecting a s alary at our expense. Do something we cc thate rrepresents all of us
