Message:

I am opposed to SB 11, which proposes redistricting rural courts into the more urban areas. This dilutes the representation of smaller courts by placing them within the bigger, urban courts. I do not support this plan and would appreciate your vote against it. Despite the fact that I live in a large urban district, I still believe smaller rural areas need to have their voices heard, and that will not be possible if courts are combined. Thank you for your consideration of this request.
