Message:

Colorado County is currently being represented by Senator Kolkhorst. She has been a positive advocate and has acquired many staunch supporters. Sen. Kolkhost has always made herself available when we have reached out to her and seems to have a genuine interest in out concerns. We can only prosper through continued representation and availability to someone who understands the wants, needs and values within our rural communities. The possibility of being part of any large urban (Harris county?) representation area is, in affect, putting our small communities on the back row of a very large playing field. It is imperative that we retain the representation of Sen. Kolkhort!
