Message:

Please leave Montgomery County alone regarding redistricting. The worst thing possible that we citizens of the County can imagine is being associated with Harris County. The people that run Harris County are wild with their Covid plans and do not respect the role of the individual as the leadership of Montgomery does and has in the past. We moved to Montgomery to get out of Harris. Harris County is trying to emulate failed policies of places such as California and Virginia. Please do not let that happen.
