Message:

I am opposing this redistricting map with my subdivision carved out of Marble Falls to be moved to SD 25. This is a ridiculous move that makes no sense. Just outside the gate of my subdivision, is my church, schools, supermarkets, restaurants that will remain in SD24, and my small subdivision will be moved to another district.

I represent SD24 as as the District Director of Texas Federation of Republican Women and want to remain their leader in the district. I live in my retirement home and did not plan to move again. I spend many hours traveling to TFRW clubs in SD 24 monthly and volunteer my time to make my district a better place to live and support our elected officials. I do not want to give that up to live in SD 25. I also do not want to be forced to sell my home and move in order to represent the clubs in SD 24, and I do not want to abandon them for a move of the pencil by the redistricting committee for political reasons that are obvious.

Please, consider keeping my subdivision, Meadowlakes, in SD24.
