Date: 2021-09-08
First Name: James
Last Name: Tullos
Title: N/A
Organization: self
Address: █████████
City: Austin
State: TX
Zipcode: ████
Phone: ████████

Affirm public info: I agree

Regarding: ALL

Message:
Please ensure that all districts are made up of geographically close regions. Texas has too often been a national embarrassment for poorly designed districts, let's work to make Texas better and keep districts simple. No city or county should be split between multiple districts.
