Message:

Regarding redistricting, please do not divide The city of Magnolia. We are a conservative and tightly knit community. And we would like to stay that way. We live in the south west corner of Montgomery county. Currently district #4. Please do not redistrict us with a current Harris county district #7. We are currently a red district and red county a wish to stay that way. Please do not take away our conservative voice. Please do not ruin and divide our conservative city, county and district.
