Message:

I am writing to voice my opposition over the proposed gerrymandering of districts in North Dallas. The proposal to move voters who reside in Dallas County into districts OUTSIDE OF THE COUNTY is ludicrous, and an absolute violation of the principals of a democracy. Voters should choose their representatives, not the other way around.

If you must resort to cheating to retain your positions, I hope you are prepared for what history will have to say about your participation in this type of power grab and disenfranchisement of Texas citizens, whom you are supposed to represent.
