Message:

Burnet County is a community of interest and should remain whole.

A division would disrupt our community and the goals we have for the future.

Should Burnet County be the sacrificial lamb in redistributing that would dilute our influence.

Burnet County and the Highland Lakes are a community that comes together in times of crisis to help each other.

We DO NOT want a political division in our small rural Central Texas county.

I respectfully request ask you to reconsider dividing Burnet County and keep our county together as one active and political community.

Thank you very much.
