Message:

My family live in Colorado County in Texas and we do not want to have our area redistricted. We do not want to be grouped in with larger cities and have laws passed that will not be in our areas best I trust. We have land and our 8yr old raised chickens. We hunt on our land and ride atv's. We have a well as our only source of water our needs are not the same as people who live in the inner cities and have drastically different living conditions. Please do not redistrict our county.
