Affirm public info: I agree

Regarding: Congressional

Message:

In the proposed redistricting, the city of Denton is attached in the most transparently manipulated way to far distant parts of the state and separated from all the contiguous areas with which it shares common interests. I haven't sought authorization by city council to speak on their behalf, but I do serve as Mayor Pro Tem and see this as inevitably putting great distance between us and our representative. It's wrong. Don't do it.
