Hello: I've recently been made aware of your proposal to remove District 16 from Dallas County and merge it with two mostly rural counties in the proposed 2021 Texas Redistricting Map. This is GERRYMANDERING pure and simple. I live in Dallas County and pay taxes in Dallas County, my needs and concerns parallel little with those who live in Wise and western Denton Counties. Wise County doesn't even border Dallas County! Good grief!

Why cheat in order to win? Just do your jobs and address the needs of your constituents, that is how you win and stay in office. Stop showing fear and realize that the needs of a person of color are the same needs of a white man.

Have some integrity and ethics. The Christian values and principles you tout must be demonstrated not with your mouth, but in deed. If you don't care that your fellow citizens are watching, at the most, remember that God is too.
