Regarding: Senate

Message:

As a resident of South Montgomery county I object to the partition of the county's representation among 3 senate districts. Montgomery county is a self contained unit, and has very little in common with either North Harris County or Washington County. It is a vibrant political organization with a strong county self-identification. Breaking representation apart like this will do nothing but dilute the influence of the county's residents...and this county is a rapidly growing and important part of the state already. Keep Montgomery county intact!
