Affirm public info: I agree

Regarding: Senate

Message:

I am opposed to the redistricting map as currently drawn. Please use Highway 150 as the dividing line for 45/73, rather than arbitrary squiggly lines all over the place. This way, neighborhoods are aligned with the schools those neighborhoods' children attend. The current map draft was clearly drawn to limit the representation for Hays county and is a clearly partisan effort to disproportionately increase Republican representation.
