Message:

Please separate Dripping Springs from San Marcos. A Republican representative received 48% of the vote last time with Texas State in our voting area. With them gone, we could actually be represented by someone the locals, rather than the college students vote for. We pay for who they vote for, and they just move onto a new area after graduating, and we're stuck with their poor voting choices. Please let long-term residents' voices be heard by separating us from Texas State's voter block.
