Affirm public info: I agree

Regarding: Senate

Message:

Please provide FAIR and COMPETITIVE maps that keep communities of interest together. Please do not split Wells Branch Neighborhood.

Being split across two Districts will make it twice as hard for the Wells Branch community to be heard by our federal representatives and to be fairly represented during elections. Most current congressional maps are compact, keeping communities together. These precinct grids shouldn't have divisions or breaks that dissect suburban neighborhoods into dissimilar areas such as rural vs. urban.
