Message:

Dear Senators in the Texas Legislature,

Senate district boundaries proposed for Nueces County are high art gerrymandering, and would create confusion in residents.

Just say NO to gerrymandering. Proposed boundaries would make a jigsaw puzzle of our district, cutting through the heart of Nueces County and Corpus Christi, complicating governmental support for and participation by people, schools, and businesses.

Leave our district intact.

This proposed redistricting would jeopardize our everyday lives, our livelihoods, and pose serious and unnecessary risks in emergencies.

Just say NO to redistricting.

Sincerely yours,  
Teresa A Carrillo
