Message:

It is important that the African America Community in which I live get adequate representation in the Texas Senate as a fair representation of our population.

I understand that there will be some political machinations and likely gerrymandering that will occur. Nevertheless, future districts need to be relatively contiguous to allow our representatives to properly serve their communities.

I urge this community to not intentionally disenfranchise me or my neighbors, but diluting my vote, or making it difficult to connect with my representative.
