Message:

I live in district 2 of Texas. The bounds of this district are ridiculous. I would take me 30 min to drive across it north to south. But only 5 min to go east and west from my location.

It covers such a wide area, across multiple town areas that likely I'll never go, and have nothing in common with.

I am asking that the Texas senate use common sense and re draw the districts in a in-gerrymandered way, and in a way that is fair and properly helps the people.
