Message:

I really hope you will realign central Texas into one Senate district that can represent this area. Bell, Coryell and McClennan Counties and those others around us need to be represented in the Senate. Currently we are stuck with representatives from Granbury (22) and Austin (24) and they don't really pay attention to the needs of this large area around Fort Hood that it deserves. If this disenfranchisement continues it will result in more of this area turning against the current politicians and looking for someone that will start working for us instead of the big metro areas north and south of us.
