Message:

My comment on the census: I was born in the U.S. and I am a U.S. citizen. I moved back to Texas (after having lived in Canada for nearly 30 Years) in August 2020. I was contacted twice by the census bureau, but I am not included in the census count because I did not live in the U.S. in April 2020. This is ridiculous!!! I was living in the U.S. when the census was conducted and will be living here for the next 10 years. This rule must change!! I am NOT REPRESENTED in the redistricting count and I have every right to be counted.
