Message:
Redistricting - Texas Senate Special Committee

Districts should:
-Fairly represent the voting patterns of Texas -Reflect commuting patterns -Consider future suburban growth -
Communities of interest should be respected -No independent panel (panel should be appointed and have involved
viewpoints, past experiences, an agenda and be held accountable.) -One person, one vote (Section 2 of Article 1 of the
US Constitution and the Equal Protection Clause of Section 1 of the 14th Amendment requires the construction of
legislative districts that are substantially equal in total population.)

Thank you,
Mary Arnold Fox
