Regarding: Senate

Message:

It's ridiculous that University Park, in the middle of Dallas County, would be grouped into a new Texas Senate District 12, with mostly rural Wise County. I don't have anything in common with the rural voters in Wise County and I can't believe they'd be happy being grouped into a new Senate District with a bunch of University Park residents.

Please retain the current Senate District 12, which represents urban voters in Dallas County and avoid the perception of partisan gerrymandering!
