Message:

Hi Committee Members,

I reviewed the proposed redistricting maps per <https://dvr.capitol.texas.gov>. It is very obvious that these districts are gerrymandered. For the love of all that is good in this world, please redistrict in a way that makes sense - based on communities and makeup of the people living there. Gerrymandering is anti-democratic. I do not wish to see it in my state of Texas.

Thanks,
Dan
