Dear Senate Redistricting Committee:

<https://senate.texas.gov/redistrictingcomment/>

Senator Joan Huffman's amendment to SB 4 with plans 2108 would divide Hays County into three State Senate Districts, including Senate District 25, 21, and 19.

I am outraged by the nefarious gerrymandering of the voting districts in Texas. I object that this proposed slicing and dicing of Hays County would draw senate district lines through population centers in Hays County, dividing San Marcos into two districts and Kyle into three districts. This is unacceptable, as this will create confusion for students at Texas State University and in the city of Kyle. We want our population centers kept whole, and would like to be represented by Senate District 21.

I want to request that this amendment be voted down and previous mapping of Hays County in 87(3) SB 4 (plans2101) be utilized.

I realize that this ridiculous map Huffman has proposed is meant only to dilute the results of votes for the citizens of Hays County, who deserve to have their voices heard.

James Brisco
