No this is a bad idea. My family has lived on the same property since 1900. If this area becomes part of Houston the first thing that will happen is taxes will go up not a little a lot. Next thing that will happen is when elections come around we will be tied to Houston that will make us blue. Not sure about everyone in my area but I am red Montgomery is red. I do not want to deal with all the crap that Houston has. Leave this area alone look some place else to line your pockets with tax money. People will call this progress it looks like greed and a power shift to me.
