Message:

The current redistricting plan has our town of Magnolia in southern Montgomery County, split in half. I live in the southern part of the area which would put me in a new area represented by Paul Bettencourt. He represents Harris County, not Montgomery County. Please allow our community to continue to be represented by Brandon Creighton. I have lived in this area for over 25 years and Representative Creighton has been my choice since he was elected in 2006. He has Montgomery County residents best interest at heart. If our community is split in this way we will not be fairly represented as Harris County is so large our area will be forgotten. Do not do this to our community.
