Affirm public info: I agree

Regarding: Senate

Message:

The main thing I would stress is that the lines of redistricting be complete equally in proportion with the increase in population by minority citizens. This is the reason for being able to have two additional representative. Get off of your personally welfare position and do the right thing for all human beings. We deserve the right to choose our representatives no matter what their ethnicity is. We are all the same under the skin It is time to put a stop to the foolishness.
