Message:

Stop the gerrymandering - Texans, Republicans and Democrats are fed up with the politics in this state! I live in North Dallas and pay taxes in Dallas and Dallas County. The proposed changes to District 16 are ridiculous!!

The politics in this state make it a laughing stock of the nation. This household, once Republicans, will work hard to register voters, stop the gerrymandering procedures, help the Governor, Lt. Governor and Attorney General find new jobs, and remove every Republican politician who supported the new, unconstitutional abortion law.
