Message:

With regards to you planned redistricting of half of Magnolia texas, please note that this voter is completely against carving the Magnolia community into two seperate districts, the community is a small but a unified group of citizens with common interests and consider ourselves more aligned with the leadership or Montgomery county and the city of Magnolia TX. To divide our community and city into two distinct districts would weaken our voice and representation in our representative government.

Consider this household to be fully opposed to the planned deconstruction of the Magnola TX community district boundaries.

We watch and remember at the polls who supports small town communities and who does not.

Regards
Randy Williams
