Regarding: Senate

Message:

Please make sure that the new congressional district maps are drawn fairly and reflect population growth in the Douglass Community and other communities of color so that everyone will be assured justice and equity under the law.

I know that my non-representative, Angela Paxton, is corrupt and probably taking bribes like her husband. So I know that she will try desperately to restrict voting so that she stays in office.

So this message is for the GOOD SENATORS in the Texas Senate, not her.

And Paxton belongs in jail with her husband.
