Message:

Please do not remove Fort Bliss from the El Paso district. As an El Paso native, I was born here while my father served in the Army Reserve as a field doctor. He did his duty, and then chose to hang his hat in El Paso.

I'm also in the process of happily selling my house to a military family who is also putting down roots in El Paso. Why would they have a far-off representative vote on their work interests, and another representative vote on their home interests, when they're all clearly one in the same?

Removing Fort Bliss from this district ignores the wishes of my father, this family, and many others.
