Message:

I OPPOSE the proposed redistricting plan. My current district, #32, include a sizable portion of my neighborhood of single and multi-family homes. The district to which I would be assigned, #24, cuts into my surrounding area and places me with large areas that are mostly industrial. My interests and the interests of the members of that district are not anywhere near the same. I expect to be in a district that is entirely within the city of Dallas.
