Affirm public info: I agree

Regarding: Congressional

Message:

I see that the 3rd congressional district is completely surrounded by small areas attached to the 4th congressional district. These areas include three precincts in southern Hunt County, all of Rockwall County, and a sliver of Collin County lying between the 3rd and 26th districts. Please include these areas within the 3rd congressional district so the districts are more geographically contiguous. If these districts are left to stand as indicated it would be problematic for election officials, the candidates, and the citizens as well.
