Message:

I am a citizen of the 18th Congressional District of Texas in Harris County for over 40 years, and I am profoundly dismayed

with the proposed redistricting map for this District by the Texas Senate. The proposed map for the 18th District has the

effect of suppressing the vote of a homogeneous, mostly black community. Congresswoman Sheila Jackson Lee has represented the 18th District and our community admirably. Revise the map to permit me and my neighbors to be represented by Congresswoman Lee.

I demand that you restore the historic 18th Congressional District.
