Message:

I do not want my county - Colorado County - redistricted and included with Houston.

Rural Colorado County has little or nothing in common with Houston. These competing interests will change the decisions that are made for our area forever.

I voted for Senator Kolkhorst - she is good for Colorado County. She's a rural girl and understands our rural way of life. She understands our water situation, the needs of our rural school districts and our rural hospitals and health care systems and she understands agriculture and wildlife.

Keep Colorado County RURAL. Please keep this in mind.
