Message:

The address where I live and have resided since 1971 is separated from most of my neighborhood. It is as though the committee who drew these lines had never driven the area and had no idea what they were doing. I feel no connection with those who represent me in the Texas Senate or House. I would respectfully request you to come to the area and take a close look at it and correct this problem. This has been a problem for many years and I appreciate the chance to finally call it to your attention. Thank you. Helen F. Speegle
