Message:

Please stop outrageous gerrymandering! Because of your machinations, I now live in one of the most ridiculously drawn districts in the country. And because of the SIDE OF THE STREET I LIVE ON, I got cut out of my beloved representative's district and placed in one represented by someone for whom I would never vote, who represents his own and his party's interests, not mine. It's a shameful practice designed to disenfranchise as many voters as possible so one party can keep itself in power despite the will of the people. It's time for Texas leaders to quit bending over backwards to keep wealthy white men in power just so they can protect their own interests. They do nothing to protect the rights or serve the needs of the populace.
