Message:

Hays County is already drawn into 3 congressional districts, a situation that should be addressed as well, so it would be beneficial and less confusing for our citizens to have one state senator represent the whole county. Senator Zaffirini has always been committed to our representation and responsive to our needs. In light of the results of recent elections, this is also indicative of our shared values. Please consider redrawing Hays County to have just one state senator, and that it be the 21st District.
