Message:

Redistricting isn't and hasn't been a transparent process in the State of Texas, and I am calling on the Texas Legislature to establish an Independent Redistricting Committee to draw the maps of the US House districts in Texas, Texas House districts, and Texas Senate districts. Furthermore, allow for more local control for municipal and school governments to draw their own maps.

I'm also calling on the legislators from the Rio Grande Valley to be sure to represent the Valley's interests first and foremost in the Legislature.
