Message:

I believe in Texas. And I believe in democracy.

But democracy isn't what we get here in Texas, thanks to our highly partisan gerrymandering.

Austin's views are barely represented in Congress, for example, because the city is carved up and parceled out to dilute our votes amidst rural Republicans.

This kind of thing reduces faith in our country and our system.

I'd much rather lose to Republicans when I know the game hasn't been rigged.

Remember why you got into politics in the first place. Maybe it's public service or faith in sold ideal. Whatever it was, I don't think you got into this to cheat people.

Fair maps do right bd people of Texas, plain and simple.
