No mask mandates

None in Schools

None anywhere

We are a free people and we can decide if we need to put a mask on. We can decide if we need to put one on our children. And we respect each decision.

No forced participation in a experimental drug.

Taking the shot is a personal decision. And we respect the decision of each citizen.

Nuremberg Code

Keep our states economy going.

We are Texans

We will face this head on

We are not scared

The only fear we have is the overreach of our State and Federal government.

Don't be scared to stand up for the rights of your constituents.

HAVE COURAGE AND HAVE INTEGRITY NO MATTER THE PRESSURE OR GET OUT Surely we can find enough true Texans with courage to do your job.
