Message:

I live at [REDACTED] in Wells Branch, a suburban neighborhood in North Austin. I'm writing to urge you to work to keep Wells Branch in District 37 with other similar suburban Austin neighborhoods.

Being split across two Districts will make it twice as hard for our community to be heard by our federal representatives and in elections.

Needless gerrymandering should not be an option. Please keep the Wells Branch neighborhood in one district as the new maps are drawn. As your constituent, my family is counting on you to represent us well. Please work until the job is done.

Thank you,  
Ben Francois
