Message:

After more research concerning the redistricting in our state, I have come to the conclusion that there is no reasonable explanation to remove Colorado County and others from Sen Lois Kolkhorst to Sen Joan Huffman other than to benefit the re-election chances for Sen Huffmam. This is one of the many reasons most citizens find today's politics and politicians - and their motives - questionable. Colorado County needs to retain Sen Kolkhorst as our voice. She has demonstrated that she puts the needs of her district first and foremost on her agenda. She is a 'country girl' who understands her constituents and works for the benefit of all. Colorado County does not need a Sen from an urban area! Sen Kolkhorst has been a true advocate and fully accessible when called upon. We need as our representative someone who has the time and commitment to earnestly work for those whom she serves.
