Affirm public info: I agree

Regarding: Senate

Message:

Please reconsider the district lines you are drawing. Our neighborhood will be split into multiple districts that reach far into rural areas no where near our city. The areas my new district is going to be in will not reflect the same interests as the residents in my area. I would like you to reconsider the lines and include my neighborhood in the same district as Austin since that is where my neighbors and I love and work and that would more accurately reflect our needs.
