Message:

It is hard to believe in this highly partisan Republican Controlled Legislature that my comments would have any impact. It seems like I am faced with an indoctrinated party that hates democracy as much as Russia, the Taliban, or ISIS. I am saddened by this, I wish it weren't so, but it is our country is suffering from a virus that is killing hope for so many. The only reason to gerrymander is to be so cynical that one assumes that I am doing this because everyone is evil and THEY would do it too. Cry for my beloved America, we are what our enemies say we are. Hypocrites and phonies.
