Message:

I am very concerned about the possibility that our small town community may be divided and that we (on the south side of 1488) might be put with Harris County. We have nothing in common with these people. We are a rural area. We live here because we choose NOT to live in a "big city" area where views are not in line with ours. We ask you not to divide our tight community. Our voice will be lost forever. Please, keep old town Magnolia together.
